Northwood Accreditations & Certifications

ISO9001

All North Shore® products are manufactured under strict ISO9001 quality standards, ensuring the manufacturing processes are both effective and efficient and that the highest standards of quality are maintained. This means that the finished product meets the expectations of both North Shore® and the customer.

CHSA

As a member of the CHSA, Northwood Hygiene Products Ltd, owners of the North Shore® brand, adhere to a strict code of practice for accurate product descriptions and labelling, meaning that whatever is stated on the label is what is in the box.

BRCGS

BRCGS accreditation means North Shore® products guarantee the standardisation of quality, safety and operational criteria and ensure that we fulfill our legal obligations and provide protection for you, the end consumer.

FSC®

FSC runs a global forest certification system with two key components:

- Forest Management
- Chain of Custody

The FSC system allows businesses and consumers to identity and purchase paper, and other forest products, made with materials from well-managed forests and / or recycled sources. Look out for our certified products.
