ACCREDITATIONS & CERTIFICATIONS

ISO9001

The international Standard is based on the quality management principles which are; customer focus, leadership, engagement of people, process approach, improvement, evidence based decision making and relationship management. This is all to enhance customer satisfaction by meeting customer requirements.

CHSA

All products meet the CHSA Soft Tissue Standard, which means that product specifications stated on the label are exactly what you receive.

BRCS

BRCS accreditation means Whisper® products guarantee the standardisation of quality, safety and operational criteria and ensure that we fulfill our legal obligations and provide protection for you, the end consumer.

FSC®

FSC runs a global forest certification system with two key components:

- Forest Management
- Chain of Custody

The FSC system allows businesses and consumers to identify and purchase paper, and other forest products, made with materials from well-managed forests and / or recycled sources. Look out for our certified products.
