

# Why choosing Leonardo is right for your Kitchen...

“The dispenser range that improves hygiene standards in kitchen & catering environments”

## Hygiene

- Enclosed dispensers - keeping paper clean
- No touch dispensing options - reducing the spread of bacteria
- Towel 'in' or 'out'
- BioKleen treated contact areas
- Wipe clean dispensers with no corners or recess
- Food safe accredited paper

## Use

- Easy to use dispensers
- Automatic dispensers

## Cost

- Proven **cost-in-use benefits**
- **Zero waste** with 100% usage

## Maintenance

- High capacity - less checks needed
- Drain friendly products
- Dispensers are made from hard wearing ABS plastic
- Fast and simple reload

All contact areas on the dispensers are treated with **BioKleen**.

**BioKleen** inhibits the growth of micro organisms like bacteria, reducing the spread of harmful germs and maintaining a healthy, hygienic washroom.

Leonardo proudly carries the EU Ecolabel certificate across many of its recycled paper range. Using Ecolabel certified products ensures we meet stringent 'Green Guidelines' with minimal environmental impact.
